Your Many Friends

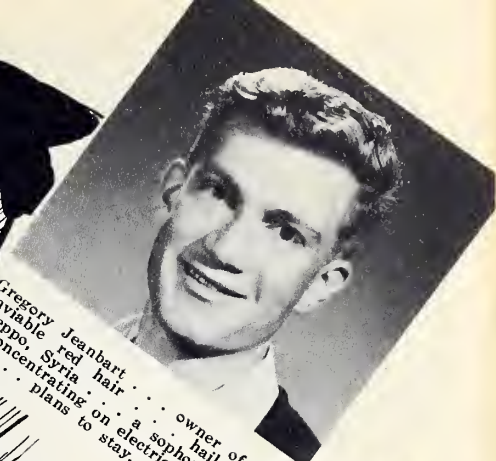

Some of the hard work that goes on by all classes when homecoming rolls around each year.

Dorothy Margaret Andrews... sophomore from Peace River, Alberta, Canada... working hard to be a medical technician... Washoe Medical Center is her home away from home.

Erich Helfert... an outstanding student from Neuburg, Germany... represented Nevada at a manufacturer's convention in New York... business administration senior...

Gregory Jeanbart... owner of that enviable red hair... hails from Aleppo, Syria... a sophomore who is concentrating on electrical engineering... plans to stay.

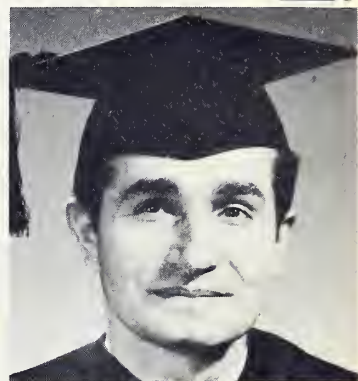

Your special guests the Foreign Students...

Harumi Katsubi... smiling frosh from Tamayu, Yatsukagun, Shimane (en, Japan... an aggie major who will return to Japan and do scientific arming...

John Knezevich... former guerilla turned student... will graduate next year... a business administration major from Trebinje, Yugoslavia... we're glad to have him here...

George Knezevich... the older brother... will receive a degree in agriculture... also from Trebinje... and Winnemucca holds its attractions, too... we'll miss him...

Eric Lappohn... jovial engineer from Tilsit, East Prussia... a few more credits and he'll be a sophomore... he's at home here now...

Takis Polokalis... friendly Taki... an econ major who wants to go into the foreign service with wife, Germaine, and baby... from Athens, Greece...

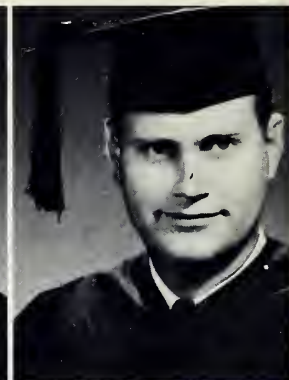

Moustafa Shishakly... Shak is the Phi Sigs pride from Damascus, Syria... another friendly civil engineer... he has three years to go...

Nevada's Quiet Man . . . the strong, silent type, he gets things done without fuss and flutter . . . the pride of the Sigma Nus . . . a **real** engineer . . . he has a smile for everyone . . . it's been nice, having him around campus.

Your Top Man

A wonderful thing . . . watching something grow from ideas to reality . . . how do you thank the donors . . . the planners . . . those who spent precious time with it . . . the whole campus drawn into a hot discussion . . . how to handle student contributions . . . voluntary or no? . . . and who holds the reins? . . . good questions . . . but time's a'wastin' . . . this will be a great thing for students and faculty alike . . . but a Nevadan must go first-class . . . let's make the most of it, huh?

And Prime Helpers

While Top Lady

Women's suffrage on the hill . . . this is the queen the girls elect . . . strange faces and faded blue jeans at the coed capers every semester . . . they still call it a bean feed, tho . . . some beans . . . you frosh wonder where that darn handbook comes from . . . from hunger, you say? . . . meet the editors . . . they completely revamped it this year . . . and it needed it, believe me . . . but this stuff takes a lot of time . . . and these girls deserve a vote of thanks . . .

The only queen who reigns . . . the top gal on campus . . . the Thetas like her too . . . she still sparkles after a hard day at the office . . . we'll miss this girl.

Kneeling: Leah Gregory, energetic Senator-at-Large; Bruce Hicks, bashful ATO; Doug Byington, wisecracking Sigma Nu; Gail Johnson, demure Gamma Phi; Norma Etchegoyhen, capable AWS president; Mary Jane Zunino, sophisticated KAT; Sue Casey, charming Senator-at-Large.

Row 2: Otto Shulz, efficient Senator-at-Large; Milt Sharp, busy ASUN president; Dorothy Bell, untiring ASUN secretary; Ed Pesout, resourceful Lambda Chi; Bill Bulkely, tall, rangy Theta Chi; Dick Wiseman, the oversize paper boy from Phi Sigma Kappa; Marvella Chandler, vivacious red-head from Tri Delta; Jeanne Paulson, pleasant lassie from the Artemisia Manzanita Hall Assoc.; Jim Carlson, affable Lincoln Hall representative; Rayner Kjeldsen, electronic brain from Sigma Rho Delta; Jerry Markowski, next BMOC from SAE.

Your

Ah, yes, the committees . . . unloved and unsung workers of the campus . . . the shock absorbers between students and administration . . . long hours . . . stalemated meetings . . . heated discussions . . . and then an almost complete lack of student interest . . . even a spirited counterattack is not so bad . . . at least somebody cares . . . let's give the kids a big hand . . . they were just donatin' their time . . . and every student knows that time is our most treasured possession, outside of money.

Above is the Publications Board who decide editors and business managers for the Brush and Artemisia. Seated are Milt Sharp, William Miller, chairman, Jim McNabney. Standing are Bill Eaton, Marie Nielsen, Dorothy Bell, Leah Gregory, Barbara Gregory. Left you see the committee helping to plan the Student Union. First row is Coe Swobe, Bill Thornton, Bill Brown; behind is Dorothy Bell, Milt Sharp, Leah Gregory, Pam Wayman, Bob Winkel, chairman, and Barbara Van Meter.

Bruce Hicks, Doug Byington, chairman, Jeanne Paulson, Jim Carlson in back and Milt Sharp and Leah Gregory, kneeling, selected candidates to run for office when there weren't enough to make it legal.

Student Government

Your executive committee gave Milt all the help he needed. Pictured are Norma Etchegoyhen, Milt Sharp, Leah Gregory, and Marvella Chandler. Absent was Bert Munson.

Your hard-working assembly committee helped entertain you on Thursdays. Reading down are Nadine Coleman, Dave Traitel, Bev Griggs, Roy Whitacre, Phyllis Crowder, Jerry Mann, and Sallie Rogers.

These people watched the ballot boxes—no cheating here. On the elections committee were: top row—Mary Stathes, Jerry Markowski, Ed Baroch, Dave Traitel, Jim Carlson, Hans Mohr, and Don Lane. Kneeling are John Hanifan, Georgia Myers, Sallie Rogers, Ann Serpentine, Lynn Scott, and Roger Pettenger.

Your men's upperclass committee saw to it that the frosh kept in line. Standing are Bruce Hicks, Joe Moose, and Bob Winkle. Below are Bill Bulkeley and Doug Byington.

Secretary Dorothy Bell did the paperwork for the ASUN while historian Beverly Morris kept the scrapbook.

Where's your bible, freshman? The women's upperclass committee included Charlyne Olsen, Marge Titus, Hazel Johnson, Joan Blake, Marvella Chandler, and Ev Nelson. Kneeling are Carol Dickerson, Elinor Long, Mary Jane Zunino, and Jocelyn Lord.

had the help of the President

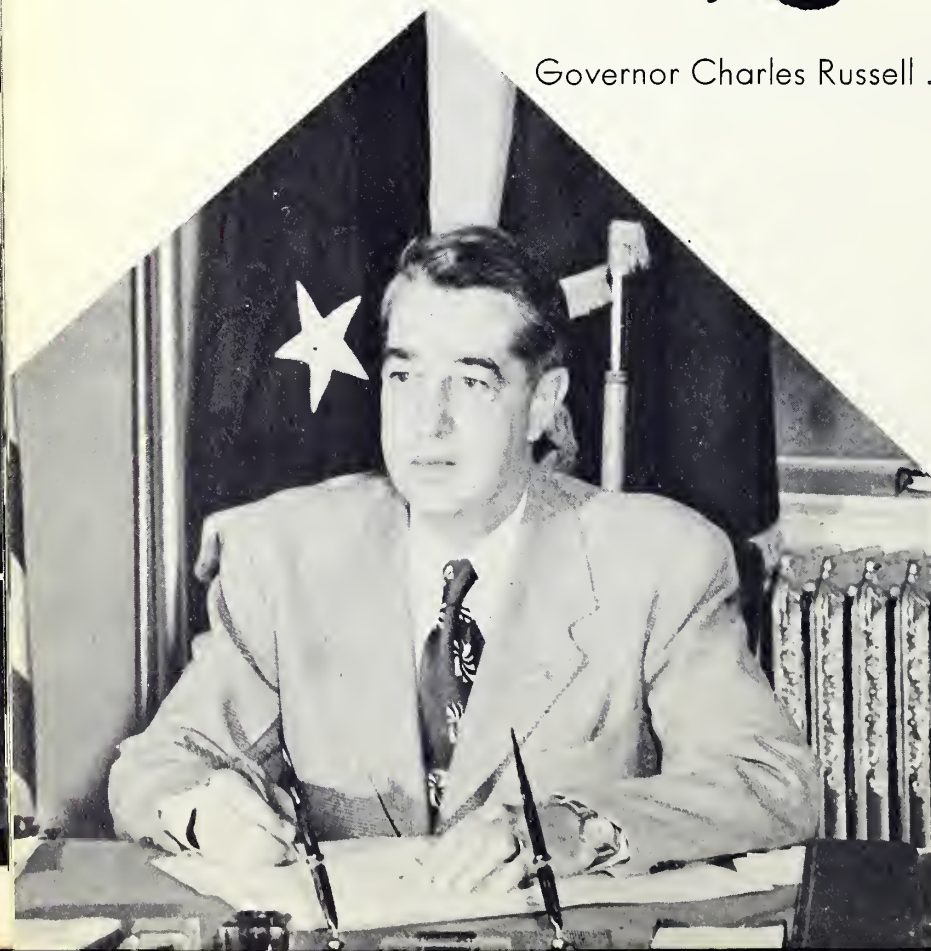

Meet the director . . . lucky guy, he's answerable only to five regents and about 1100 students . . . really a soft job . . . he picked up the long-ignored problem of university relations with the high schools and other interested parties throughout the state . . . Nevada's on the road now . . . profs learning to live out of suitcases . . . this is better than summer stock . . . one-night stands . . . and as for building, he has some big ideas . . . that should have been proposed ten years ago . . . the campus could stand a little rearranging for better efficiency and comfort . . . expansion in view for some of the smaller, more crowded departments . . . really BIG plans for education, nursing, and agriculture . . . he never knows from one day to the next whether he's Nevada's man of the hour or just the fall guy . . . oh well, every job has its off moments.

President Minard Stout . . .

and the Governor

Governor Charles Russell . . .

The actual head of all state institutions—that includes the university . . . it's a safe bet that a good percentage of the students don't know his first name . . . several don't know his last name . . . some just don't give a darn . . . he merely signs all those appropriations bills . . . he's in the Homecoming parade . . . but few ever look past the Queen . . . he attends the Mackay Day luncheon . . . but everyone has his nose in his potato salad . . . overwhelming response to the donation of the most precious time in the state . . . this is probably the only university that takes the governor of the state almost completely for granted.

Your Board of Regents

Silas Ross, chairman

The real producers of all the campus productions... theirs is the little task of keeping higher learning from running in the red... they are trapped between the taxpayers and the administration... they are learning... sometimes you can't please anybody ever... their hopes for additions to the university are various... at the top of the pile is the new college of education... a new status for a quickly grown-up department... also proposed is a new school of nursing, long advocated by Nevada's medical circles... also to their credit are some long-overdue faculty pay raises... after some discussion, they okayed the idea of oaths for the faculty... I am not, never have been, etc... they even made the headlines this year... the sad case of the regents vs. Professor Richardson was the chief topic of conversation for many a day... although they didn't know why, everyone felt called upon to take one side or the other... professors testified, lawyers debated, the regents deliberated... yet no one was completely satisfied with the decision... it matters not who was right or who was wrong... the damage has been done... it is the sincere wish of the regents and all connected with the university that such will never happen again.

Louis Lombardi

Roy Hardy

Archie Grant

Newton Crumley

William Carlson . . .

So Did the Deans

Elaine Mobley

of Men

of Women

The monstrous job of keeping track of each and every student falls to this lucky pair...unhappy parents complaining to "the Dean" . . . unhappy and unfortunate students do likewise . . . you been sick? . . . check in with the Dean . . . quitting school? . . . see the Dean first . . . he or she may help you . . . need a chaperone for that dance or social? . . . who else? . . . they have no office hours . . . a tough and often discouraging job, but they like it.

Perry Hayden . . . our financier with the cowboy boots . . . yes, boys, that's where our money goes . . . anybody got a quarter for a cup of coffee? . . . this inflation is terrible.

Clarence Byrd . . . his office has two seasonal rushes...and you think **you** dread registration!... if you think you're getting the shaft on some grade points, this is the man to see . . . but you'd better have some pretty good arguments.

Jim McNabney . . . affectionately known as "Old Hawkeye" . . . he has to make sure the outgo doesn't exceed income... besides ordering books nobody ever heard of . . . this job gets real interesting . . . at times.

of Agriculture

The big business dept ... as they dickered for the sale of the South Virginia farm ... a new building is a gleam in their eye ... offered a beneficial course for Nevada farmers...they always participate in judging competitions ... sort of a contest contest.

Claude Hutchinson ... Dean

of Arts and Science

Even with staff turn-overs, this dept stays on an even keel ... fluctuations in enrollment present some problems ... how to get students and professors at the same place at the same time ... some shifts are in store for this department too.

Frederick Wood ... Dean

New Bureau of Mines building...

of Engineering

The traveling dept ... someone is always packing or unpacking ... this is the group of busy students and busier pros...strong organizations here... how's your supply of midnight oil?

Stanley Palmer ... Dean

of Mining

Everyone held his breath as the new atomic project moved in ... whopping new building and all ... \$60,000...ho hum... bring in your old uranium ore, everybody ... field trips to McGill and Rawhide ... what part of Texas is that?

Vernon Scheid ... Dean

James Hill...has the books where you want them...in the stacks...

Carl Horn...ever tried having an assembly without chairs?...he's necessary.

Alice Terry...guard of the inner sanctum...president's secretary...

Trini Erquiaga...deluxe purchase order writer...oh, those figures...

and Faculty

Tours, lectures, books, conventions, special projects... the Happy Hour club will come to order... the English department shines... one of their more interesting courses opened to the public... Prof. Laird turning out linguistic masterpieces... including a handbook for the perspiring freshmen... co-author, Prof. Gorrell, packing off to Australia on a Fulbright scholarship... Elizabethan drama in the bush... President Stout and Dean Carlson visiting Teachers Institutes... Dr. LaRivers discussing Nevada's fishes in his new book... nothing personal, anybody... Charles Fleming and Prof. Post boasting about their latest olive crop... Prof. Higginbotham evaluating San Jose State... frantic softball games and strained muscles at the faculty picnic... new faces, and some among the missing... that's the way it goes.

Hobnobbin' with the students are these snack bar habitués...

ALPHA GAMMA CHAPTER ESTABLISHED 1921

Sierra Street humanitarians... they paraded in a fashion show to raise cash for underprivileged kids... then invited the lucky recipients to a big Christmas shindig... a good time was had by all... music (?) everywhere... their new piano takes a terrific beating... ah, culture... their pajama parties must be hits... eyelids at half-mast the next day... their WRA teams are slipping... they are no longer the muscle girls on campus... but nobody's shedding tears... the future looks bright for the revitalized Gamma Phis.

The present Eligibility and Athletic committee was established this year to supplant the old Board of Athletic Control. It was headed by chairman George A. Broten who also served as faculty athletic representative to the Far Western Intercollegiate Athletic Conference. Duties of the committee were to make recommendations to the president regarding the proper academic certification of athletes in accordance with the constitution of the Far Western Conference. Art Broten attended all conference meetings.

NEVADA 27 - CHICO STATE 7

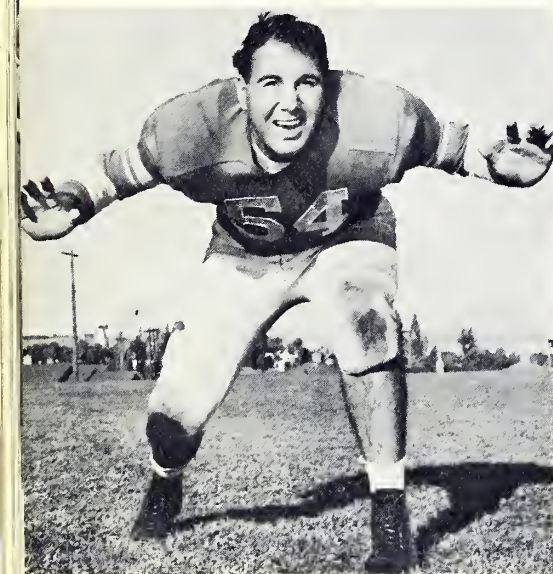

The 1953 Nevada Wolf Pack opened its season successfully when it downed a favored Chico State gridiron eleven, 27-7, on the Mackay Stadium turf.

Joe Leal and **Mert Baxter** each crossed the goal line twice to lead the Nevadans to the triumph over the previously undefeated Wildcats. The locals completely dominated the game and the Chico gridders did not score until the final quarter when they returned a punt for the tally.

Wayne Seacrist and **Giles Altenburg** were the Pack co-captains for the season's opener.

FRESNO STATE 47 — NEVADA 7

Making its first out-of-town appearance of the season, the Wolf Pack was handed a 47-7 setback by a keyed-up Fresno State eleven in Fresno's Ratcliffe Stadium. The underdog Nevadans made a good game of it considering several injuries were suffered early in the hard-fought contest.

The Wolf Pack scored in the second half on a sparkling drive that ended in an **Ed Jesse** to **Mert Baxter** touchdown pass.

Suffering the more serious injuries were **Joe Leal**, **Ed Stephens**, **Buddy Brooks** and **Joe Lash**. Several members of the Nevada starting team were called upon to play nearly the entire game. Among the latter were game co-captains **Ron Einstoss** and **Joe Lash**, until he was sidelined with a knee injury.

NEVADA 13 — CAL AGGIES 0

A slow-starting Nevada grid-iron aggregation, that went into this evening's football contest with the California Aggies as pre-game favorites, came on strong in the second half to score a 13-0 triumph before a partisan Aggie homecoming crowd.

Both Nevada teedees came in the third quarter after a scoreless first-half. The initial tally was scored via **Ed Jesse** to **Mert Baxter** aerial, and shortly afterwards **Don Jones** smashed off right tackle for the final marker of the game.

Feature of the affair was a goal line stand by the Pack forwards who held the Aggie for four downs within the one-yard line. Leading the winning Nevadans were game co-captains **Buddy Brooks** and **Stan Drakulich**.

Picture includes two Little All-Coast performers, **Baxter** and **Maury Duncan** (12) quarterback of S.F. State.

Buddy Brooks, with help of **Stan Drakulich**, powers his way over a San Francisco State tackler. Nevada gridders in background include **Ed Jesse** (behind No. 79), **Boyce Ford** (30), **Don Jones** (40), and **Rollan Melton** (46).

S. F. STATE 28 - NEVADA 27

In one of the most exciting football classics ever witnessed in Mackay Stadium, the San Francisco State Golden 'Gators downed a fighting and inspired Wolf Pack eleven 28-27 before 6,000 screaming homecoming enthusiasts.

Ed Jesse tallied the Pack's first touchdown on a quarterback sneak and **Buddy Brooks** powered his way for Nevada's score.

The other two Wolf Pack counters came on **Jesse** to **Mert Baxter** paydirt aerals.

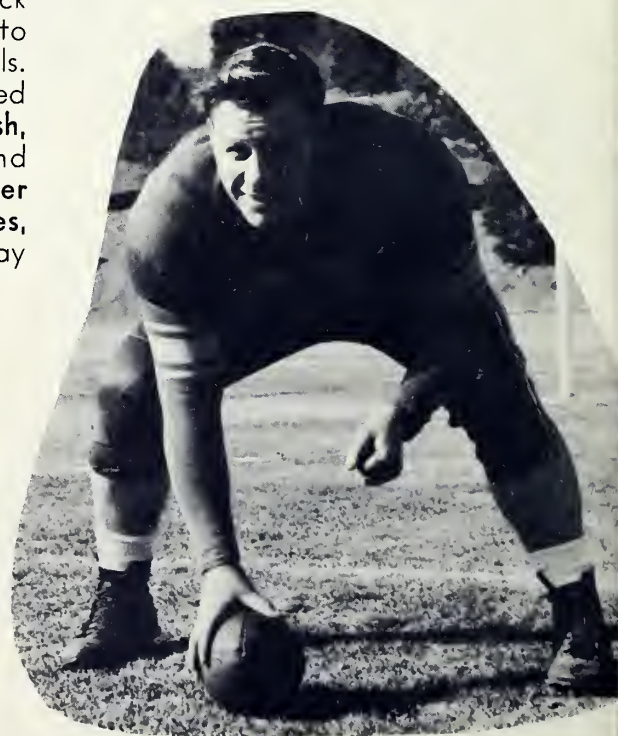

Fine line play was turned in by Pack linemen, **Lash**, **Einstoss**, **Ford**, **Leslie**, and game co-captains **Baxter** and **Melton**. **Jesse Jones**, **Leal** and **Brooks** led the way in the secondary.

IDAHO STATE 34 - NEVADA 13

Nevada's gridiron aggregation closed out its 1953 season by dropping a hard-fought 34-13 decision to the Rocky Mountain Conference champions, Idaho State Bengals.

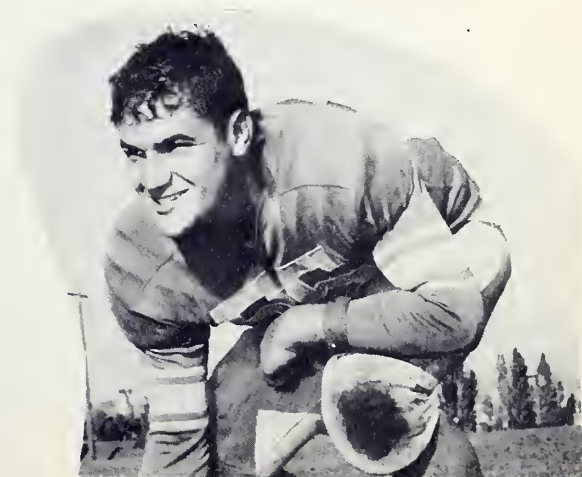

The injury-riddled locals made a good game of it in the first half, but soon after the intermission, the Pack lost star quarterback **Ed Jesse** for the remainder of the contest.

Joe Leal regained his early season form and scored the Wolf Pack's two touchdowns. When **Jesse** was carried from the field, **Mert Baxter** moved to tailback along with **Don Jones** and the pair guided the Nevada single wing attack which was used for the first time this season.

Jones and **Jesse** were game co-captains and both responded with inspiring performances. Shortly after the final game, **Baxter** was accorded first team Little All-Coast honors, while **Jesse** was named to the second squad.

The play that put **Ed Jesse**, Nevada's all-around quarterback on the sidelines. The sturdy field general suffered a back injury which caused the Wolf Pack to go into the single wing formation for the first time during the year.

A major rebuilding job confronted Coach **Jake Lawlor** in his tenth season at Nevada, but after a slow start the Nevadans caught fire to end with a 12-11 record. Biggest task was filling the roomy shoes of departed stars Mert Baxter and Dan Vidovich, but Lawlor came up with **Chuck Handley**, a sharpshooting freshman from Las Vegas. **Handley** was second in Far Western Conference scoring and earned a berth on the first team All-Conference squad. Big **Reg DePaoli** received second team conference honors. The squad was the first Nevada team to compete in the newly organized Far Western Intercollegiate Athletic Conference, composed of Sacramento State, San Francisco State, Humboldt State, Chico State, and the California Aggies.

Local cagers opened the season with a strong College of Pacific five and were set down in both contests. The Pack threw a scare into the skyscraping Tigers before bowing, 70-66 and 74-43. Individual scoring stars were **Legarza** with 30 in the two games. **DePaoli** 24, and **Cooper** 20. Traveling to Ely to duel Utah State in the next series the Pack lost 65-63 and 81-65. Fighting a good game the first night with the lanky farmers the squad couldn't cope with the Utahans in the finale. Frosh **Handley** had 32 digits, while **DePaoli** tickled the mesh for 30 points. **Legarza** and **Cooper** played fine all-around floor games.

See Them Break Through Again

Nevada's bout with Fresno State ended in a split. The visitors annexed the first contest, 61-56, but the Pack returned to down the Bulldogs, 83-64. **DePaoli's** 33 and **Handley's** 31 points paced the Pack. Whittier College next came for one game and was handed a 73-50 reverse. **Cooper** hit 16 digits to lead the locals while **Trounday** tallied 13 points. San Francisco State was the first conference opponent for the Pack and handed the Nevadans two defeats in the Bay City. The locals met the 'Gators after Christmas and lost out, 74-62 and 67-50. **Handley's** 27 pointst took high-scoring honors in the series. In Reno for its next eight games the Pack came out winner seven times for its hottest streak. It copped twin victories from Humboldt State 72-53 and 62-57, Cal Aggies 84-50 and 76-57, Portland University 70-53 and 68-56, and split even with Chico State.

The Wildcats won the first game in over time, 80-79, but the Pack took the second 89-60. **Handley** and **DePaoli** led with 39 and 24 points against Humboldt's Lumberjacks, while **Cooper** caught the Cal Aggies series for 28 markers. Chico hit Reno with George Maderos, and the Wildcat star had a furious scoring battle with **Chuck Handley**. Maderos garnered 50 points in two games, while **Handley** made 44. Nevada handed Portland twin setbacks as **Handley** shot 45 points. In Las Vegas to tiff Loyola University the Pack lost out in both games 80-57 and 87-59. Sacramento State suffered double setbacks from the Pack in Nevada's final games. Behind **Handley's** 34 points, the locals won out, 55-46 and '69-68.

Reg DePaoli hooks one in from the right side to pace the locals against Chico State's Wildcats. **Bob Jones** (15) is in the foreground.

Roger Trounday goes up to take a rebound from a Cal Aggie man with **Chuck Handley** backing him up.

The Wolf Pack boxing squad closed out another successful season this year performing against San Jose State, San Francisco State, Chico State, Idaho State, and College of Idaho. The Pack also did well in the San Francisco State Invitational and Pacific Coast Intercollegiate tournaments. Highlighting the campaign was the fine work of 178-pounder **Bill Griggs**, who went undefeated during the year until the semi-finals of the Pacific Coast Intercollegiate affair, which is the top annual college boxing attraction on the coast. Others who turned in fine showings during the season were **Marvin Baker**, **Ed Hancock**, **Ted Contri** and ex-marine **Stan Drakulich**, who returned to Nevada ring-wars after a two-year absence.

Gangling **Baker**, in one of the most exciting battles ever seen in the local gym, came on strong to draw with hefty Gene van der Leun of Chico State. The two heavyweights slugged it out, toe-to-toe, for three action-packed rounds, and at the final bell, the pair were given a standing ovation by the spectators. Only a sophomore, **Baker** shows promise. **Hancock** turned to boxing after a basketball career on the hill and was a dependable point-getter. **Contri**, a frosh from Elko, was a real surprise and is a boy to watch. A Nevada crowd-pleaser from past seasons, **Drakulich** closed out a successful and colorful career as a member of the Wolf Pack. Former top amateur boxer, **Jimmy Olivas**, once again did a fine coaching job for the Nevadans. Jimmy predicts a bright future for the locals with such promising talent as **Baker, Contri, Carl Looney, Keith Ernst, Bill Azbill, Walt McIntyre, Bob Genasci** and **Ray Brookman** returning next year.

Coach Hugh Smithwick flashes a broad smile as he watches his charges in action.

Bob Jones gets off to a quick start in the 100 in time trials.

Captain Charley Bell again returns to pace a fine Pack contingent of distance men.

Flying

Nevada's hard-working track contingent, under the coaching leadership of **Hugh Smithwick**, did well for itself this year while competing in five dual engagements and the Far Western Conference Track and Field meet at Davis, California, home of the Cal Aggies. Teams representing Sacramento State, San Francisco State, Cal Aggies, Chico State and USF dueled with the Pack this year. The local thinclads were hampered by inclement weather in early workouts, but the squad improved its times and distances as the season progressed. Stand-outs for the Pack this year were Captain **Charley Bell**, **Lee Schroder**, and freshman **John Meder**.

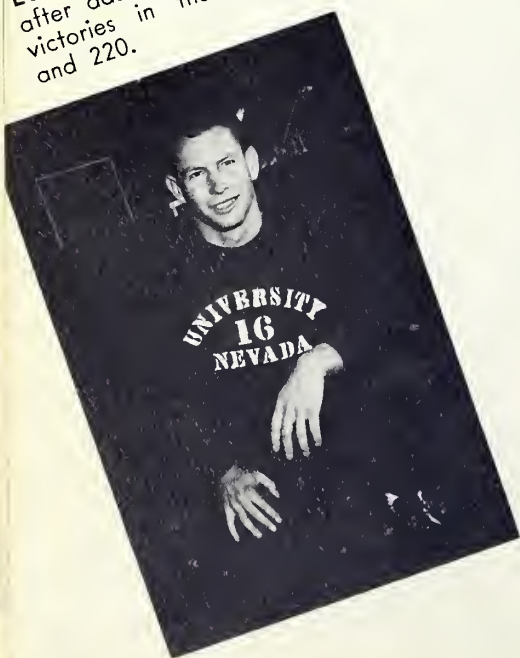

Jake Longero breezes over the high hurdles too fast for the cameraman.

Frosh John Meder does a handstand in mid-air as he easily clears the pole vault cross bar.

Lee Schroder rests after dashing to twin victories in the 100 and 220.

Quarter milers John Mayeroff and Gene Timmons round the turn neck and neck.

Freshman George Mr. looks like a ballet dancer as he puts the shot.

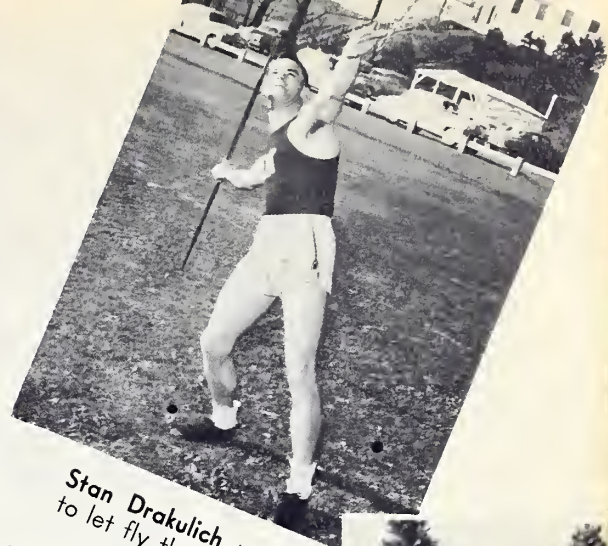

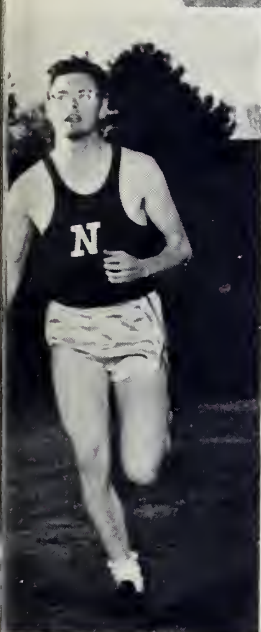

Leo Quilici gets off another good toss in workouts.

Jim Calder gets a quick start in the furlong.

Stan Drakulich uncoils to let fly the spear.

Milt Sharp rounds the turn all alone in the mile.

Cinders

Bell enjoyed another fine season in the middle distances, particularly in the 880-yard run. Schroder consistently vied for top honors in the broad jump and sprints. Meder, a husky-built athlete from Carson City, was a real jack-of-all trades for the local tracksters, as he saw action in about five events in every meet. Other top-point winners in field events for the Pack were Leo Quilici in the discus, Stan Drakulich in the javelin, and Phil Collins in the high jump. The running events featured Bob Jones in the sprints, Gene Timmons and John Mayeroff in the quarter mile, Jake Longero in the hurdles, while Milt Sharp and Gail Munk stood out in the mile and two-mile runs.

Gail Munk preps for the long two-mile grind.

The diamond sport made a long-awaited return to the Nevada campus this year and the local hardballers behind the coaching of **Jake Lawlor** and his assistant, **Bill Ireland**, made a fine showing. Voted a major sport in the spring elections by the student body, baseball was elevated to its proper recognition on the hill. The Wolf Pack practiced and played its home games at Threlkel's Field in Reno. One of the standout performers on the local aggregation this year was all-around **Roger Trounday**, who got a late start due to basketball workouts. **Trounday** sparkled at the plate and did a fine job in the outfield. Joining **Roger** in the outer gardens were **Dave Ryan**, **Jim Zinn** and **Ed Jesse**. The latter was plagued by a sore arm in early contests. The infield was manned by **Ray Hunter** at first, smooth-fielding **Ralph Powell** at second, dependable **Lelan Ceccarelli** at the hot corner, and erstwhile cage star **Dan Vidovich** at shortstop. Handling the infield utility work was **Chuck Handley**, who also saw duty on the mound. The catching chores were in the able hands of **Clancy Price**, a freshman from Reno, and **Arden Gerbig**. Pacing the Pack twirling corps were lanky **Jerry Carstens**, lefty **George Young**, **Burt Munson** and **Ernie Soumbeniotis**.

Flying Wolves

Nevada skiers enjoyed their finest season this year when they copped winning honors in four of the six meets entered against top collegiate competition. Bringing Nevada its first national championship was Pat Myers, hard-skiing senior from Reno. Flashing down the Slide Mountain slopes faster than any of his competitors, Pat became the first national downhill champion under NCAA sanction.

Nevada's linksters experienced rough going in the Far Western Conference this year, but Coach **Harold Bailey** is looking to the future. Next season the Pack's three top performers, **Dick Morrill, John Jepsen** and **Pat Norton**, will be back for intercollegiate competition. Joining the top trio on this year's golf team were **George Douglas, Joe Leal, Bill Kottinger, Bernie Thomason** and **Ron Einstoss**. **Bailey**, former Nevada amateur titlist and one of the outstanding golfers in the state, is serving his first year as coach of the Wolf Pack divot diggers.

Netmen

Leading Nevada's tennis aggregation in Far Western Conference play this year were standout veterans **Bill Van Wagoner** and **Perry Lowden** together with promising freshman **Dick McClintic**. The frosh ace steadily improved throughout the year and should lead the Pack to many a victory in coming net seasons. Also performing well were **Jim Anderson**, **Harry Summerfield**, **Grandin Worden**, and **Raff McDonald**. **Hutch Nenzel**, one of Reno's top tennis stars, once again coached the squad. The team fared well in its seven-match schedule and went on to participate in the Far Western Conference tennis tournament. The boys had an added incentive this year as the student body voted tennis a major sport in the spring elections.

In Memoriam
Tom D'NICE Betty Aplin

Have you heard the tale of the aloe plant
That grows in the sunny clime?
By humble growth of a hundred years
It reaches its blooming time.
And then a wondrous bud at its crown
Breaks out in a thousand flowers...
This floral queen, in its beauty seen
Is the pride of the tropical bowers.
But, the plant to the flower is a sacrifice,
For it blooms but once, and in blooming dies.

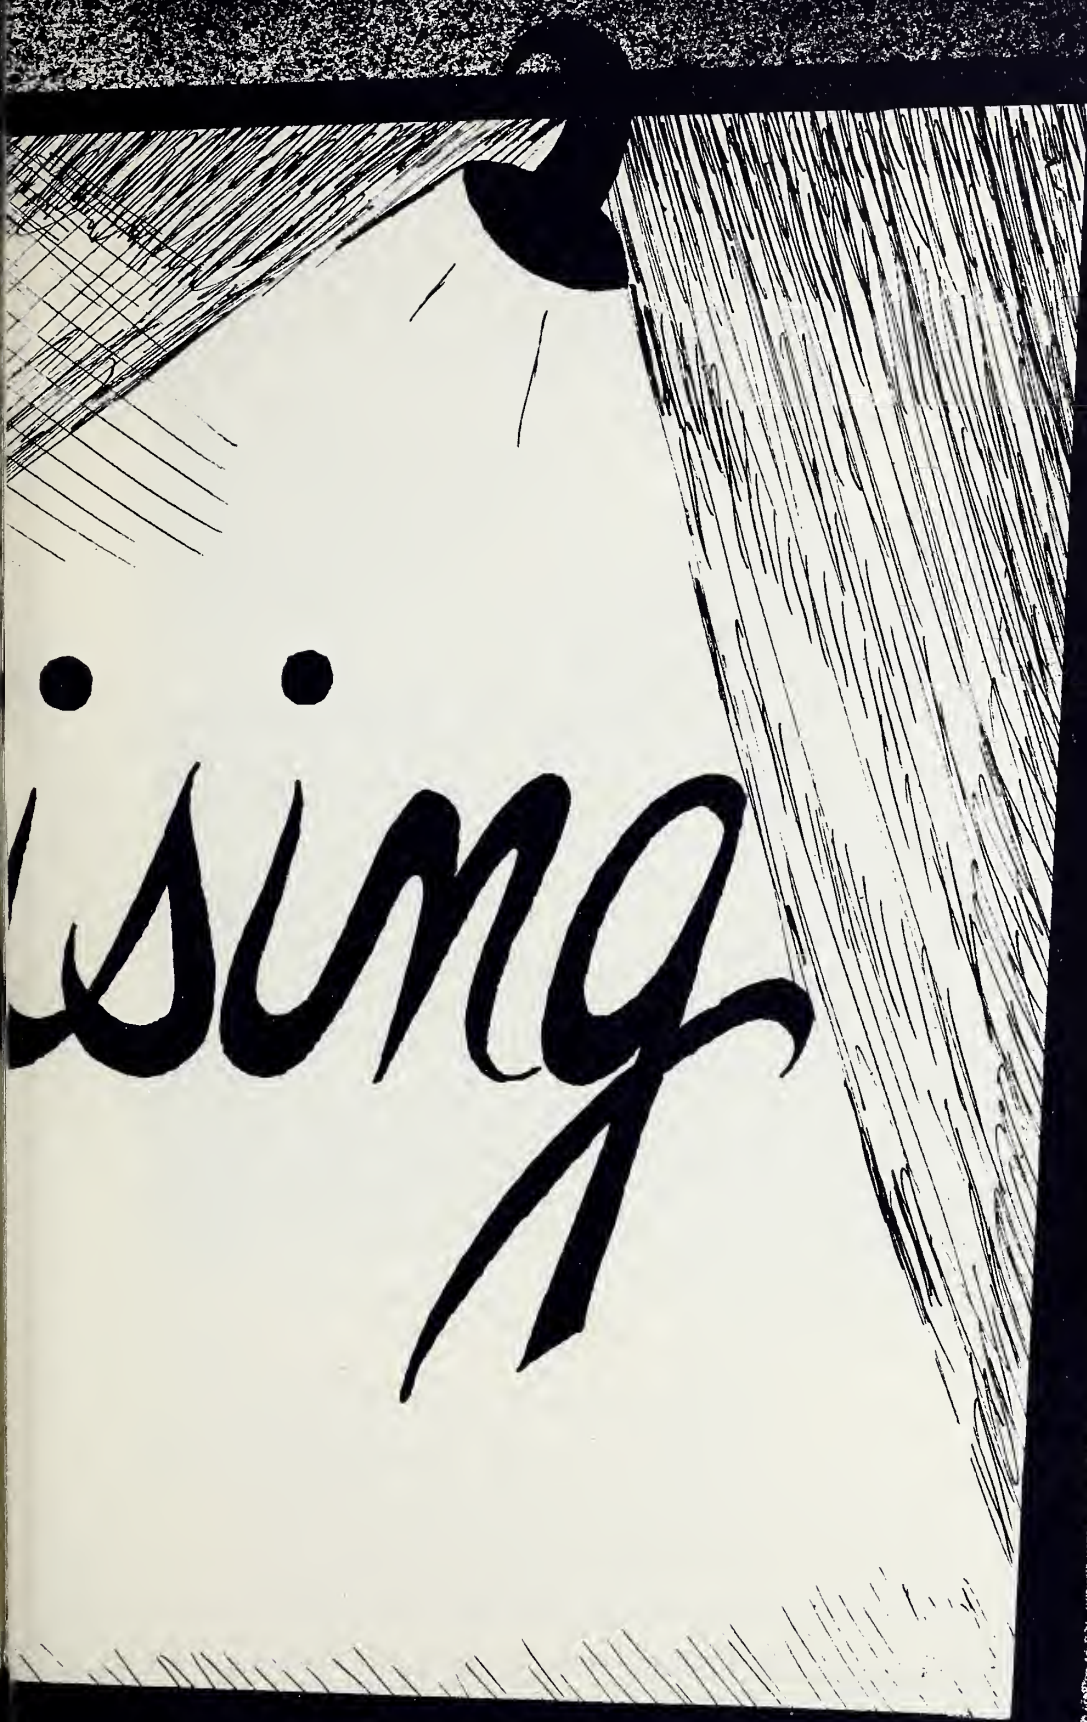

Have you further heard of this aloe plant
That grows in the sunny clime?
How every one of its thousand flowers
As they drop in blooming time,
Is an infant plant that fastens its roots
In the place where it falls on the ground:
And fast as they drop from the dying stem
Grow lively and lovely around.
By dying it liveth a thousand fold
In the young that spring from the death of the old.

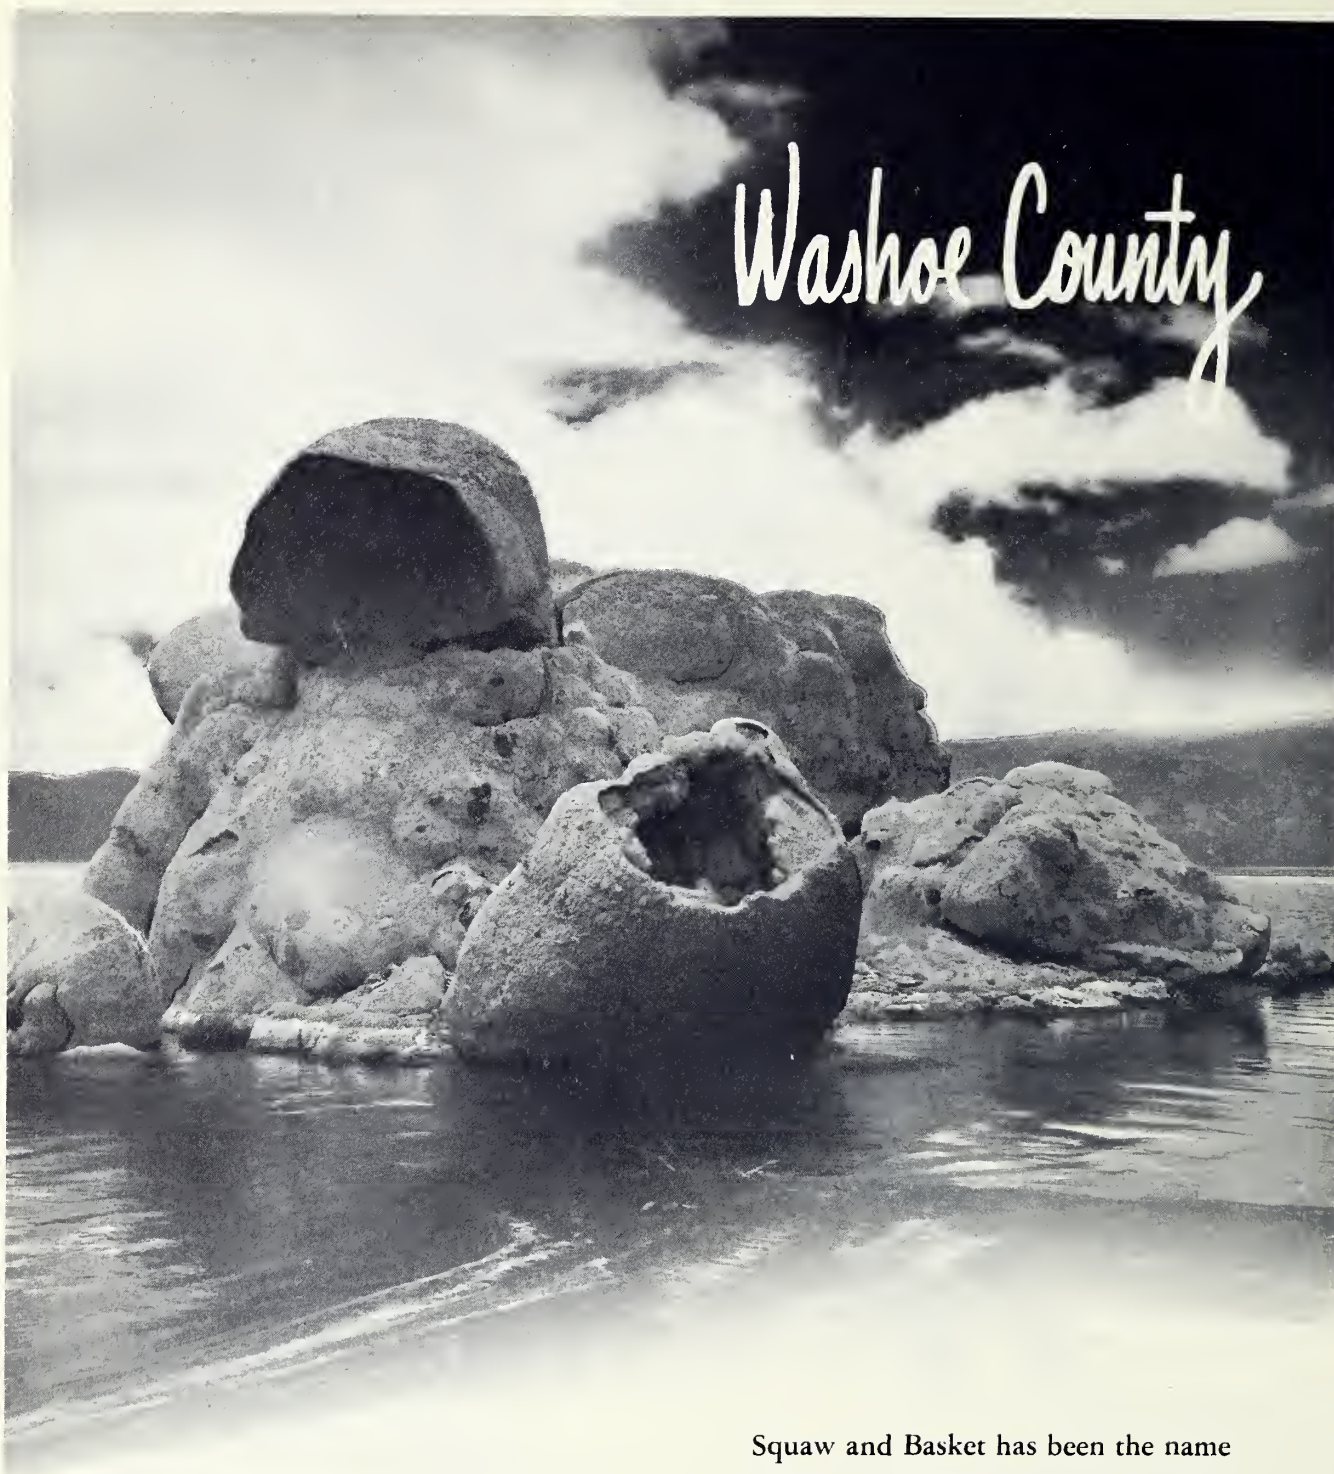

Have you heard the tale of the pelican?
The Arab's Simel el Bahr,
That dwells in African solitudes
Where the birds that live lonely are.
Have you heard how it loves its tender young
And cares and toils for their good,
It brings them waters from fountains afar
And fishes the seas for their food.
In famine it feeds them what love can devise,
With the blood of its bosom, and feeding them, dies.

Have you heard the tale they tell of the swan,
The snow white bird of the lake?
It noiselessly floats on the silvery wave,
It silently sits in the brake;
For it saves its song til the end of life
And then in the soft still even
Mid the golden light of the setting sun
It sings as it soars into heaven,
All the blessed notes fall from the skies
'Tis the only song, for in singing it dies.

Reno Chamber of Commerce

Squaw and Basket has been the name of this weird tufa formation on the east side of Pyramid Lake since General John C. Fremont camped at the place over a century ago. It is one of Washoe County's oldest landmarks, and a monument to the colorful tribes which still populate this area.

Shopping at Sewell's you'll find is a Western tradition. Ask your mother, ask your grandmother. Maybe they knew us when we first started in Tuscarora, Nevada. We've expanded, we've modernized . . . but we have never outgrown the kind of personal attention to your shopping needs that's made us a family friends since 1897.

Most of us who serve you at Sewell's were born and raised right here in the West. That helps to know what you like to buy, how you like to eat. We know the kind of seasoning you want for those barbecues, the fine but not fancy foods that make for economical good eating every day of the week.

You'll find at Sewell's all the fixings for your famous Western cooking. But we're not content merely to sell them to you . . . no, ma'am! We insist upon "Serving them up" with a warm greeting, a welcoming smile that is Western hospitality at its best.

Sincerely,

SEWELL'S

Howdy Podner!

Seems like the time to wish you young folks godspeed on your educational journey comes oftener than it used to. Must be that life's speeding up and we're getting older. Certainly looks that way when you take a look at Las Vegas today and then remember what it was 10 years ago. Probably no place on earth has built up and gotten to be an established community in such a hurry. Nevada is still a land of opportunity—we're proving it every day. Keep this in mind as you plan your life ahead. Meanwhile, best wishes to the CLASS OF '54 Hope we'll be seeing you around for a long time to come.
